

**RESUME OF
ANGELA P. BUTLER**

EDUCATION

1995 - 1998 ***University of San Francisco, San Francisco, CA***
Bachelor of Science in Biology

1992 - 1995 ***Solano Community College, Solano, CA***
Associate of Arts in Liberal Arts

EMPLOYMENT

2016 – Present ***Serological Research Institute, Richmond, CA***
Senior Forensic Serologist, Laboratory Manager
2015 – 2016 Forensic Serologist IV
2011 – 2014 Forensic Serologist IV, Laboratory Manager
2008 – 2011 Forensic Serologist III
2006 – 2008 Forensic Serologist II
2003 – 2006 Forensic Serologist I
2001 – 2003 Assistant Forensic Serologist

Oversee daily operations of the laboratory. Examine & analyze biological physical evidence: conduct presumptive and/or confirmatory tests for blood, semen, saliva and other body fluids. Extract, quantify, amplify and electrophorese DNA for forensic genetic markers. Interpret data and provide analytical reports. Testify to results in court. Provide client consultation and case review. Train new employees. Assist with new method evaluation and research.

2000 – 2001 ***Metabolex, Inc., Hayward, CA***
Research Associate II
1998 – 2000 Research Associate

Performed Genechip array experiments. Responsible for sample preparation: extracting and purifying RNA from tissue, making cDNA from total RNA, synthesizing cRNA, fragmenting and hybridizing the cRNA to custom Genechip arrays. Extensively trained in data analysis. Responsible for sequencing normalized cDNA libraries. Performed all steps involved in fluorescence based cDNA sequencing. Responsible for the operation and maintenance of high throughput robotic laboratory equipment. Contributed to the revision of standard operating procedures. Trained new group members as needed.

COURT TESTIMONY:

Page 2

Qualified as a DNA expert in California, Arizona, Alaska, Florida, Idaho, Iowa, Massachusetts, Montana, Nevada, New Mexico, Oregon, Washington, and Federal Court in San Francisco, CA

PROFESSIONAL AFFILIATION:

Member - California Association of Criminalists 2002
